

Alcatel-Lucent Phone Accessories

FOR ALCATEL-LUCENT 8 SERIES EXTENDED EDITION AND 9 SERIES PHONES,
DECT AND WLAN HANDSETS

The following quick reference guide is a visual tour of the available device features (Smart Display Module, Conferencing Module, etc.), handset options (Bluetooth®, batteries, comfort grip, chargers, etc.) and user accessories (headsets, foot stand, swivel belt clip, etc.) available for the Alcatel-Lucent 8 SERIES Extended Edition phones, 9 SERIES digital phones, and the DECT and WLAN family of handsets.

The graphic on the opposite page illustrates the above phones types by vertically grouping each model from left to right. Furthermore, accessories are organized for each model by function (extend, enhance, adapt) to suggest the best options for a given user need.

Additional product information can be found on the product family datasheets for the 8 SERIES Extended Edition phones, 9 SERIES digital phones, or the DECT and WLAN family of handsets.

Extend your phone features

Enhance your audio comfort

Adapt to your environment
